Proposal Information

Proposal / Essay [max 10,000 characters]

Please keep the following questions in mind:

- *What is the main issue your project is attempting to address?*
- *How is your project a Phase II effort? What data / evidence supports your proposed steps?*
- *What is the desired outcome of your project?*
- *Please state the proposed budget for the project. Justify the budget by delineating any known and/or specific uses of the funds.*
